

Digital Integrations in Moodle for Instructors

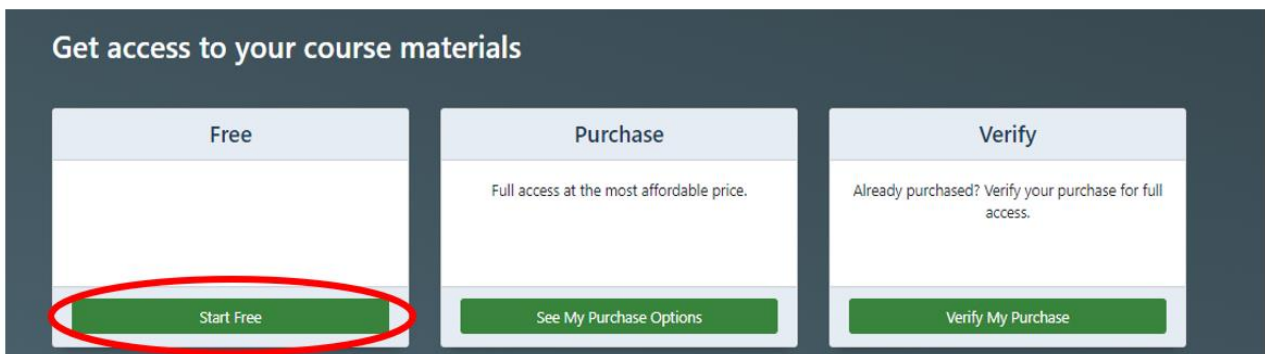

Your course material is integrated directly into your Moodle page. This will connect your students directly to the publisher portal for your course without the need for access codes.

*Students MUST purchase their resources through the link provided in Moodle or directly through [shop AT NAIT](#). Do not send them a direct link through the publisher as this will send the students down the wrong path and they will be unable to join your class.

MOODLE SET-UP EXAMPLE (GREEN PUZZLE PIECE – MORE INFO ON LINKS BELOW)

INSIDE THE LINK SHOULD LOOK LIKE THIS FOR STUDENTS:

NEED HELP & WALKTHROUGHS?
